

The Sound of Silence

- | | | |
|--|---------------|----------------|
| 1. Hello darkness my old friend | Sim-La | Lam Sol |
| I' ve got to talk with you again | Sim | Lam |
| Because a vision softly creeping | Sol-Ré | Fa-Do |
| Left its seeds while I was sleeping | Sol-Ré | Fa-Do |
| And the vision that was planted in my brain | Sol-Ré | Fa-Do |
| Still remains | Sim-Ré | Lam-Do |
| Within the sound of silence | La-Sim | Sol-Lam |
|
 | | |
| 2. In restless dreams I walked alone | Sim-La | Lam Sol |
| Narrow streets of cobblestone | Sim | Lam |
| Neat the halo of a street lamp | Sol-Ré | Fa-Do |
| I turned my collar to the cold and damp | Sol-Ré | Fa-Do |
| When my eyes were stabbed by the flash | Sol | Fa |
| Of a neon light | Ré | Do |
| That slip the night | Sim-Ré | Lam-Do |
| And touched the sound of silence | La-Sim | Sol-Lam |
|
 | | |
| 3. And in the naked light I saw | Sim-La | Lam Sol |
| Ten thousand people, maybe more | Sim | Lam |
| People talking without speaking | Sol-Ré | Fa-Do |
| People hearing without listening | Sol-Ré | Fa-Do |
| People writing songs that voices never share | Sol-Ré | Fa-Do |
| And no one dare | Sim-Ré | Lam-Do |
| Disturb the sound of silence | La-Sim | Sol-Lam |
|
 | | |
| 4. Fools said I you do not know | Sim-La | Lam Sol |
| Silence like a cancer grows | Sim | Lam |
| Hear my words that I might teach you | Sol-Ré | Fa-Do |
| Take my arms that I might reach you | Sol-Ré | Fa-Do |
| But my words like silent rain-drop fell | Sol-Ré | Fa-Do |
| And echoed | Sim-Ré | Lam-Do |
| In the wells of silence | La-Sim | Sol-Lam |
|
 | | |
| 5. And the people bowed and prayed | Sim-La | Lam Sol |
| To the neon god they made | Sim | Lam |
| And the sign flashed its warning | Sol-Ré | Fa-Do |
| In the words that I was forming | Sol-Ré | Fa-Do |
| An the sign said the words that the prophets | Sol | Fa |
| Have written on the subway walls | Ré | Do |
| And tenement halls | Sim-Ré | Lam-Do |
| And whispered in the sound of silence | La-Sim | Sol-Lam |
